---

## Experience

### Executive Coach

2020-present

#### Black in Gaming

Remote

- Designed and implemented strategies for organizational development, seeing a conference SIG become a movement to increase the number of Black professionals in the game industry from 2% to 5% in 5 years
- Directed onboarding of 5 new members of the executive leadership team and 8 managers, seeing a loosely affiliated network find mutual purpose and take ownership to drive forward the organizational mission
- Trained and mentored members of the executive leadership team to innovate, simplify, and focus efforts

### Graduate Assistant/Instructor

2017-present

#### Michigan State University, College of Education

East Lansing, MI

- Taught *Teaching & Learning with Technology* (Undergraduate, online, 7x)
  - Students completed a semester-long project by designing a professional online portfolio showcasing their new skills in design thinking, universal design for learning, media & information literacy, professional learning networks, computational thinking, and play-based learning
- Taught *Learning Technology by Design* (Master's, online, 3x)
  - Students completed a semester-long project by working through one cycle of the design process (empathize, define, ideate, prototype, test) to address a problem of practice in their professional context.
- Taught *Electronic Assessment for Teaching and Learning* (Master's, online, 3x)
  - Students completed a semester-long project by creating a formative assessment design plan (incorporating learning theories, feedback, and educational technologies) to implement in their professional context.
- Taught *Teaching Students Online* (Master's, online, 1x)
  - Students completed a semester-long project by designing a curriculum for an online course module for their professional context, which may include training sessions or non-traditional courses.

### Founding National Director, Ministry in Digital Spaces

2014-2017

#### InterVarsity Christian Fellowship/USA

Madison, WI

- Set out to build the most diverse tech team in America; recruited and trained 11 talented women and men, seeing the core leadership team grow from 1 to 12
- Directed, and facilitated 5 think tank gatherings of industry experts in Atlanta, Austin, and San Francisco
- Supervised 8 project leads managing 51 projects conceptualizing, developing, and testing innovative approaches to building online communities through video games and social media

### Area Director, South Central Pennsylvania

2009-2014

#### InterVarsity Christian Fellowship/USA

Lancaster, PA

- Supervised 17 different staff
- Directed 11 conferences for undergraduate students from 7 colleges
- Delivered more than 100 talks at 13 different colleges and 8 inter-collegiate conferences
- Designed and facilitated 30 training seminars for staff and students, specializing in leadership development

### Director, Summer Justice Program

2006; 2009-2012

#### InterVarsity Christian Fellowship/USA

Lancaster, PA

- Designed and facilitated five 6-week immersive experiential programs for undergraduate students to learn from and work with local leaders in Pennsylvania

### Director, Summer Justice Program

2005

#### InterVarsity Christian Fellowship/USA

Manila, Philippines

- Designed and facilitated a 6-week immersive, experiential learning program for undergraduate students to learn from and work with local leaders in Manila

---
